Creative Approaches to Providing Inclusive Services

Presented to the:

Collaborative Graduate Program in Migration and Ethnic Relations

Colloquium Series

March 11, 2010
Immigrant and Francophone Seniors’ WrapAround
What is Immigrant and Francophone Seniors’ WrapAround

WrapAround is a process that can be best described as a collaborative team based approach to accessing services and life planning.
The WrapAround Program at LIHC supports immigrant and francophone seniors who are living at home but have few community or social supports – leaving them isolated and at higher risk of hospitalization or long-term care placement.

*Every One Matters.*
1. The senior will be partnered with a WA facilitator

2. The facilitator will help the senior to identify needs and strengths

3. The senior will choose team members:
   Natural and Professional Supports

4. The team will make a plan based on identified needs with the senior’s approval
The Focus of our Work

Long Term Outcomes:
1. Systems of care are ethno-culturally competent
2. Broader system to increase accessibility of their services
3. Successfully access the wealth of knowledge and experience of Internationally Trained Professionals
